August 22, 2016

To Whom It May Concern,

We are writing to cordially invite you to exhibit at the Taiwan International Water Show 2016 (AQUA TAIWAN). This event takes place October 20-22 in Kaohsiung and is organized by TAITRA.

The 3rd edition of AQUA TAIWAN opens a great international platform of 150+ exhibitors who will network and display water treatment, sanitary ware, fluid automation & processes, transport & storage, and drinking water. It aims to help producers around the world to exchange smart innovative water technologies across a dedicated venue that's set to welcome 5,000 visitors.

If you are a pavilion organizer, we would also appreciate your esteemed organization extending this invitation to those units with the possibility of forming a national pavilion.

For more information, you may refer to the AQUA TAIWAN fact sheet below or visit our website. And it would be greatly appreciated if you would reserve show space using the online application at www.aquataiwan.net.

We warmly welcome your participation and look forward to seeing you in Taiwan.

Sincerely yours,

AQUA TAIWAN Team
