

Subject: Our cordial invitation for you to exhibit at AQUA TAIWAN 2017

February 18, 2017

To Whom It May Concern,

We are writing to cordially invite you to exhibit at the Taiwan International Water Show 2017 (AQUA TAIWAN) to demonstrate the newest technologies, developments, products and services. This event takes place Sept. 13-15 in Kaohsiung and is organized by TAITRA.

Aqua Taiwan surges with the success of the 2016 water show when it returns to Kaohsiung Exhibition Center from Sept. 13- 15, 2017. To make it happen, TAITRA is joining the complete water industry supply chain to display with their best products, tech and equipment from up, mid and downstream suppliers. This comprehensive professional display and trade platform comes with seminars and procurement meetings that unfold a one stop, all-inclusive platform for buyers from home and abroad. Aqua Taiwan 2017 is set to make big ripples to enhance your business!

The 4th edition of AQUA TAIWAN opens a great international platform of 150+ exhibitors who will network and display water treatment, sanitary ware, fluid automation & processes, transport & storage, and drinking water. It aims to help producers around the world to exchange smart innovative water technologies across a dedicated venue that's set to welcome 5,000 visitors.

If you are a pavilion organizer, we would also appreciate your esteemed organization extending this invitation to those units with the possibility of forming a national pavilion. For more information, you may refer to the AQUA TAIWAN fact sheet below or visit our website. And it would be greatly appreciated if you would reserve show space using the online application at www.aquataiwan.net.

We warmly welcome your participation and look forward to seeing you in Taiwan.

Sincerely yours,

AQUA TAIWAN Team
